We love fried chicken, it’s all we do. Ours comes from just one family-run farm on the Yorkshire Wolds, delivered fresh every day. It’s brined in buttermilk, tossed in our secret spice mix and fried in 100% British rapeseed oil, fresh to order. All our fried chicken is prepared without gluten. Please notify your server of any allergies or intolerances. A discretionary service charge of 12.5% will be added to your bill, all of which goes directly to this restaurant’s team. **V** - suitable for vegetarians. **VG** - suitable for vegans
